Dancer's Responsibility:

1. Please bring water, healthy snacks, LUNCH and all shoes in your FootNotes bag for the workshop. **YOU WILL NOT HAVE TIME to leave and purchase food during the lunch break.**

2. **HAIR & MAKEUP:** Please style hair neatly and securely, in the following options to wear to this convention (do not ask Cheryl for any changes to this):

- Straighted Low Pony (center part) OR
- Low Bun (center part) OR
- Double French braids (center part), braided all the way down.

All hairstyle options need to be **STRAIGHT & SLICK** with no flyaways. **If hair is not straighted it will need to be pinned up into a secure low bun** (center part). Please make sure that your daughter's hair is styled neatly and securely in the morning.

Light makeup should be worn to help dancers look "bright-eyed" for the day.

3. **WHAT TO WEAR:** While participating in the workshops, the girls should wear neatly coordinated dancewear. Fitted crops (long or short) with fitted dance shorts or leggings are great. Or you can wear a leotard with or without shorts or leggings. T-shirts or baggy clothing can **ONLY** be worn during Hip Hop classes.
4. Girls should always wear their **Vibe jacket** when not dancing or competing. FootNotes spiritwear may be worn as well.
5. Keep track of the wristband given to you both days....it is your entry into the workshops throughout the day.
6. Always stay together with your group.
7. Be respectful and obey group moms & chaperones.
8. At arrival, begin to get stretched out and ready for an awesome class experience!
9. Be mindful that you are representing your team and studio and always be kind and courteous to other dancers and studios.

Parent's Responsibility:

1. Please review the "Dancer's Responsibility" list with your daughter.
2. It is a great idea to form carpools as we do not each need to drive to the venue. **Group moms will coordinate these carpools.** Please let your group mom know if you can drive a leg of the carpool, and if your daughter will need a ride. Your group mom will then organize the girls into the cars and communicate the plan to you. We strongly urge you to not let the dancers attempt to setup the carpools on their own. We just need 1 point person coordinating the carpool for each group, for each day.
3. Arrive **ON TIME** to designated carpool meeting area.
4. If any parent wants to stay and observe for the day, but not commit to the chaperoning responsibilities, that parent should purchase their own band for the day (\$65 purchased onsite).

Lastly, please remind the girls to have a great time, soak in as much information as they can, and make the most of this incredible experience!!
